A note from the editor of The Beacon

There are many stars in the firmament. Some of these are of greater magnitude, and some of them are of lesser magnitude. Some shine more brightly at one time of the year than at another. Some tend to group themselves and form constellation, such as the Dipper and Orion's Belt

And so it is with the stars at Cleveland. There are many whose magnitude is as great as those included on the following pages. We wish we could include even the Milky Way, but the limits of our sky will not permit

Some of our stars shine more brightly at one time of the year than at another such as our football, track, and basketball stars. Some shed their brilliance throughout the entire year, such as our academic stars. Some tend to group themselves in constellations, such as The Beacon, and Orange and Blue

If you are perplexed about our galaxy of stars, we ask you to say

"Twinkle, twinkle, little star,
How I wonder what you are!"

"Rose Marie"

A most excellent presentation of the musical drama, "Rose Marie," was given to a large and enthusiastic audience in the Cleveland High School auditorium on the nights of November 19 and 20.

A large array of talent and good scenery made this show a big success, with Shirley Gatzert and Karl Heinemann taking the honors as the stars of the show. Shirley sang beautifully and completely won over the audience with her poise and acting ability. Karl was enthusiastically received with his superior rendition of the many hits songs featured in the show, and his natural acting.

"Rose Marie" is a tale of excitement and romance, set in the wilds of Canada, involving Jim Kenyon and Rose Marie, about whom the love story revolves. Jim is falsely accused by Wanda, an Indian girl, of killing her husband Black Eagle. Rose Marie, believing this to be true, refuses to marry Jim, but agrees to marry Hawley, a friend of her brother, who was involved in the killing of Black Eagle. Jim and Rose Marie meet later, but she repulses him, although still in love with him. Finally, at the wedding ceremony of Rose Marie and Hawley, Wanda bursts forth with the truth, and Rose Marie and Jim are happily reunited.

Excellent acting was displayed throughout the show. Bob Kranze and Joann G. as Hard Baked Ham and Lady Jane provided the light side of the story with their comic mixtures. Norm Black and Bill Sandidge as Wanda and Hawley, lent melodrama to various scenes. Jay Willoughby rated generous applause with his portrayal of Sergeant Malone of the Royal Mounties.

The well-known and well-loved songs by Oscar Hammerstein II, including "Indian Love Call," "Rose Marie," and "Totem Tom Tom," highlighted the show. The choral singing of one hundred and sixty-five well-trained voices provided a delightful background for the solos and, together with the clever dance routines, rounded out a successful and enlightening operetta.

Others in the cast included Roy Busch as Black Eagle, Tom Fernandez as Emile, Rose Marie's brother, Donna Hampel as Ethel, and Edgar Hartmann as the Half Breed.

Of course, a word of praise and thanks must go to Miss Louise Mann, production manager and director of vocal music, Mr. Vernon Barrett, who so ably directed the orchestra, and Miss Margaret Boland, assistant production manager and dialogue director.

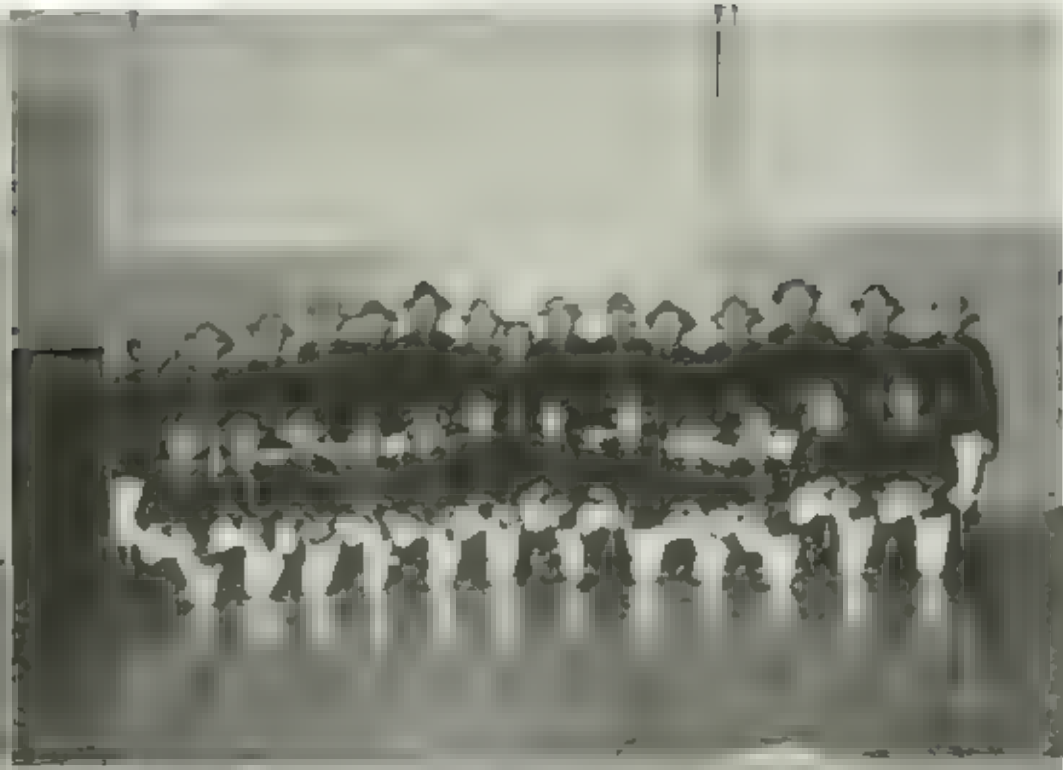

The stage settings, which set the mood for the different scenes of the show, were created by Miss Florence Knepper and her Stagecrafters.

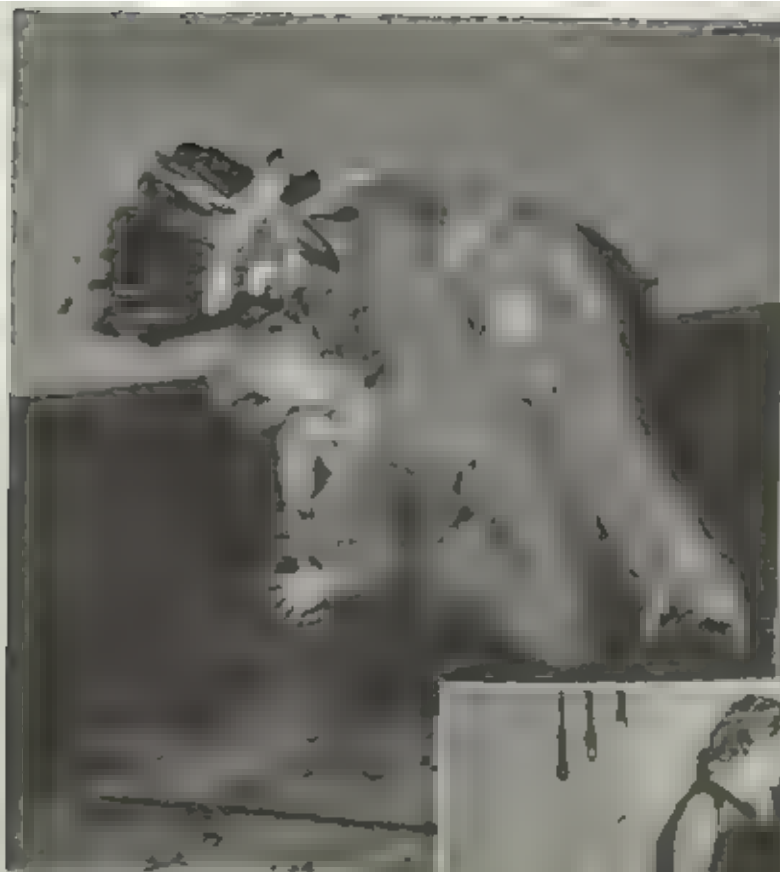

Miss Katherine Hucke was responsible for the make-up, Miss Mary Inez Mann for the costumes, and Miss Vera Ulbricht for the beautiful and inspiring dances.

Also deserving recognition for work without which no operetta could succeed, are Mr. Harold M. Doxsee for lighting and sound, the student assistants, and the vocal soloists and chorists who have contributed greatly to the success of a superior Cleveland operetta.

Rainbow Rhythm

Cleveland's Music, Art, Dancing and Dramatics departments produced an outstanding variety show last spring on April 24 and 25, 1947, entitled "Rainbow Rhythm." The show was a tremendous success, packed full of color, beauty, humor and talent.

The first scene had a beautiful background of an exquisite rainbow and the Novelty Orchestra and dancing choruses joined in singing "Rainbow Rhythm," the song written especially for the show by Mr. Barrett and arranged by Mary Lou Kohl and Richard Meyers. Also included in the first scene were two songs in Elton style by Bill Haupt as Black Fox. An early highlight in the show was the blues scene in which Norma White, a new sensation, sang several numbers with blue lights playing across the stage. One of the outstanding scenes was the one illustrating "The Old Lamp Lighter" song by Jay Willoughby followed by three dancers, Doris Fedicke, Jeanne Bierach, and Delores Schatz enacting the story of a song in pantomime.

Immediately following was the "Orange Blossoms" scene featuring Alvin Berger and Ernie Telford in a singing duet and a rhythmic dance of great skill, the closing number was a waltz number portrayed by eight couples and concluding with a duet by Bob Shannon and Cara Richardson. Two skits were featured in the show. The first was a melodrama entitled "The Fatal Necklace," in which Gloria Stephens showed clever acting and kept the audience in stitches. Gloria was supported by Louise Lindecker, Ruthellen Grupe, Rich Breidert, and Bob Kranze.

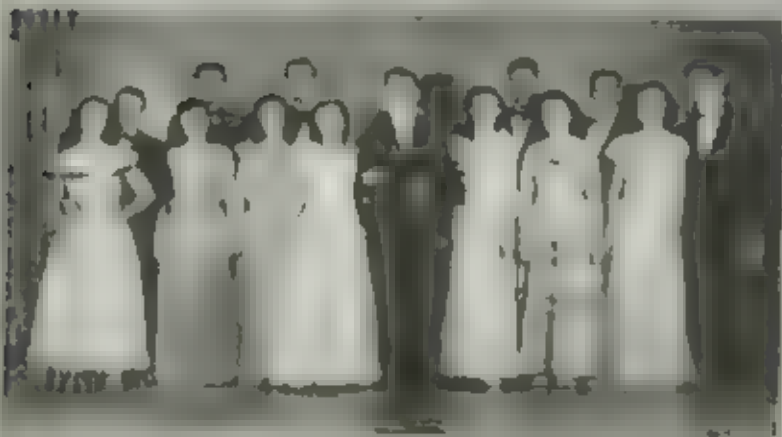

The second skit, "Spreading the News," formed part of the Irish scene entitled "Wearin' of the Green." An Irish jig, an Irish solo, "How Are Things in Glocca Morra," Jean Luehrmann, Tom Donovan and the chorette giving an entertaining rendition of the Irish favorite, "Cockles and Mussels."

Another scene, "R. E. D.," was a take-off on an extravagant radio advertising. Norma Aubuchon, a comely, delightful bit and spiky, Jay Arbutnot and L. Verne Hoppe gave a prime performance. Larn Hubbard imitating Errol Tarrag and Fernando Glen Storm displaying in out dancing dance roller skates completed a talent filled scene.

Shirley Gatzert gave an excellent impersonation of Hildegard in the scene entitled "Cafe Indigo." During the scene she invited Joanne Gunn to sing the "Friends Bride" which was extremely funny. Shirley herself sang "Tonight the Moon and Stars Will Be Ours" and a duet with Karl H. With Al M. Heart."

The Novelty Orchestra under the direction of student leader Rich Meyers and the Concert Band were on the stage in full view during "R. E. D." and "Cafe Indigo," and the audience really appreciated the chance to see them perform.

The show concluded with the band playing "Deep Purple," and the choirs sang "Ten Tents" followed by the diners who dined at "Chasen Ratt House" and the show came to a happy end in a colorful, musical finale.

Football Queen

MISS BETTY BORNEMANN
FOOTBALL QUEEN 1947

The Coronation

*B*EFORE an eager and happy audience the curtains opened upon the scene for the 1947 Coronation. The setting was an original and colorful theme based on playing cards. Mr Kelley welcomed the friends and alumni in the audience, after which the program was turned over to the president of the Nu-Senior class and master of ceremonies for the evening, Bob Zahnweh.

Bob introduced the captain of the football team and king for the night, Vernon Grosse. As Vernon took his position upon the throne each player of the football team was introduced. The boys each paraded across the floor in full football uniform.

As the football team stood at attention, the retiring football queen, Myrleen Golfinopoulus, made her graceful way down the center aisle to take her place on the throne. Myrleen's dress was of pale blue marquisette. She carried red roses. Her escort was Floyd Murray.

The King then commanded the entrance of the maids for the new court. The first of the junior maids to advance to the throne was Phyllis Meyers. Term One who looked lovely in an apricot gown trimmed with black bows in the back and ruffles around the neck. Her escort was Glen Rigby. Term Two's maid, Nancy Reckenberg, escorted by Bill Frenz, came forward in a stunning mellow gold tulle gown. The skirt was in a wide hoop. Sweet looking Glen Vaughn, who in peach satin, a marquiseette trimmed with sparkling sequins, advanced next in the arm of Ronald Harter. The maid for Term Four, George Spindler, appeared next with her escort, Robert Stewart. George looked very pretty in a turquoise brocade dress. Helen Forman, a stunning blue velvet dress was next to be introduced to the court for Term Five. She was escorted by Robert Bess. The last of the junior maids, Marie Schaefer, Term Six, made her graceful way to the throne. Marie looked charming in a pale green net formal trimmed with dainty black lace. Her escort was Dan Sawers.

Now the excitement increased at the approach of the senior maids, for one of these five had been chosen as queen and every effort had been made to keep her identity a secret. LeVonne Anders, escorted by Timmy Fernandez, was first. She looked exquisite in a gown of white net with bouffant skirt and shimmering bodice. The next maid to enter the court was Jean Webb, petite and charming in a white and silver off the shoulder creation. Clarence Bauer was her escort. Elaine Christensen, a stunner, entered the court next escorted by Bud Haupt. Elaine's gown was a ravishing white tulle with beaded neck and wide hoop skirt. The tenth maid to be a victor, the royal court was LeVonne Hipp. Her escort, Karl Hemmman, LeVonne wore a gown of pale blue satin with a bodice of sparkling sequins.

And now the moment of anticipation had arrived and the 1947-48 football queen, Betty Bonemann, was greeted by the audience with tremendous applause. Greeted and stunning in her royal white velvet gown, Betty was escorted to the throne by Mel Boldak. The entire auditorium became silent as King Grasse placed the sparkling crown on Betty's shiny brown hair. As she took her place on the throne, Betty looked a picture of beauty and grace worthy of being a queen. Her crown bearer was Shirley Kessel and the train bearers were Shirley Ann Spradling and Betty Plaze.

Now the court entertainers were summoned to give a program for the new queen. The acts included court jester Frank Feigl, the Queen's Men, Dancing Chorus Chorettes who sang "Peg O' My Heart", Louise Hahn in a sophisticated toe dance, Jim Berach in an acrobatic number and a duet by Karl Hemmman and Shirley Christensen. Coach Menhag then gave a speech about our fine Cleveland Team. The program was brought to a close as Mr. Schanen led the audience in songs and cheers.

The aim of our staff is to give the best possible Beacon book of greater interest to every student. Therefore, the theme of The Beacon book this year is about the students of Cleveland High. We have chosen the theme "Cleveland Stardust" as the topic of The Beacon. In this section we have taken a few of the outstanding students from the different departments of the school and placed their pictures in the Stardust section. We think The Beacon will be enjoyed by the students, not only this year, but in the years after graduation when they can look back and remember the old red school house and a few of the stars of the school, during their stay.

The art staff has done a excellent job. The design pages are some of the best designs Cleveland has ever had.

The sport section also has been given greater emphasis because of the Cleveland championship teams. These are but a few of the attractions of The Beacon which, we think, have helped to make it a better yearbook.

The elected officers of the 1948 Beacon are Richard Burr, Editor; Dolores Goyda, Associate Editor; Bob Crain and Roger Chastonay, Business Managers.

"HOLD THE PRESSES!"

"FLASH! IT HAS JUST BEEN DISCOVERED

"SCOOP! WHERE'S A TYPEWRITER?"

With the noises and shouts of clacking typewriters and excited voices rising above we introduce you to the Orange and Blue Class. These kids, amid the rush and noise that usually accompany getting a paper to press, accomplish most of the hard work that brings our printed page to you every other Wednesday.

Under the editor's sponsorship, Miss Edith M. Woodcock, whose periods know no rest is much as possible among the ink bottles and clippings of scissors, and generally directs the staff, the Orange and Blackman, to meet the demand. The business end of the paper is in the capable hands of Miss Hazel Kellogg, who is kept busy over the financial matters.

The student body elected Ronald Hertel as vice editor for 1947-48. Jonnett Kluge as editor, Janet Meyer and Martin Sanders, as associate editors. Don Schuchardt is business manager.

Choral Music

Many meanings are found in the title CHORAL MUSIC. To some it means being a part of a large chorus of enthusiastic singers; to others it might be a reminder of all the friends gained while taking part in that chorus, and to others it brings back recollections of a heart warming program, maybe at Christmas or Easter when that large chorus blended its voices in song so beautifully. CHORAL MUSIC in Cleveland High School means all these things and more. There are altogether five large choirs in Cleveland in which students have a chance to sing for enjoyment as well as to bring happiness to others by offering prepared programs at different times during the year.

There has always been a Junior Choir at Cleveland and this year because of the great desire of a large number of younger students for choral singing, a second choir was started. In both of these choirs, young singers are taught the basic principles of choral singing. If they are interested in advanced work, this class helps prepare them for membership in either of the Senior Chords. It is also a class in which students who wish to sing just for pure enjoyment may belong since many of the public performances are not required.

The two large Senior Chords are composed of students who have had some experience in choral singing, preferably in one of the Junior Chords. It is a class for students who are interested in taking part in programs since no performances are required. After students have been in either of the Senior Chords they are eligible for membership in the A Cappella Choir.

The robed A Cappella Choir is composed of experienced choral singers of Cleveland. The choir meets every morning at 8:15 a.m. under the able direction of the choral music instructor, Miss Louise Mann. Selection of students for membership in the choir is made by Miss Mann. Citizenship, possibility of development which would contribute to the choir, and individual talent influence the selection. It is certainly a privilege to belong to the robed choir and those fortunate enough to be chosen prove their appreciation by flowing in unsurpassed loyalty to the choir to Miss Mann, and especially to the main purpose of the choir which has helped the choir to earn a most admirable reputation throughout the city. That main purpose is to further the relationship between the school and the community.

To make possible many of the wonderful things which the A Cappella Choir has done, so many students, including non-singers at the school, have at many times sung from the stage or the balcony. When singing from the balcony, the sound of beautiful music coming from great heights is instead of being impressive in the concert hall, it is heard by all Cleveland students.

There are several traditional programs given by the choir each year. The greatest experiences gained in these programs are of a valuable in preparing students for the future. At Christmas time the choir offers many programs to the community which contribute in extending the festive Christmas spirit to all. The traditional Christmas and Easter program for the students of Cleveland have instilled a religious spirit in the heart of everyone present.

An operetta presented in the fall of every year is a must to be a tradition of the music department. Members of the choir offer their talent generously both as soloists and chorus members. The training and experience offered in the musical shows are valuable to those taking part. Proceeds from the show are contributed to the school fund to be used to aid the school in some way.

This valuable training of taking part in programs, sight reading in class and learning to follow musical instructions has helped many students to prepare for their future life's work.

The programs presented by the choirs have brought happiness to many and receiving this compensation, knowing that their efforts have given enjoyment to others has in turn brought enjoyment to the members of the CHORAL MUSIC DEPARTMENT.

Instrumental Music

Through the day Room 27 resounds with the beat of the trumpets, the voice of the woodwinds, the silken quality of the strings and the deep, pompous of the basses. Instrumental Music in all its glory finds its expression in many different organizations.

Beginning instrumentalists are taught the rudiments of playing individual band and orchestral instruments. More advanced musicians find an outlet for expressing their musical abilities in the Intermediate Band and the Concert Band. The more mature and experienced pupils give vent to their artistic temperaments in Orchestra and Concert Band where under the masters' guidance. The Orchestra and Concert Band make many public appearances during the school year including special concerts, football games, graduation exercises, operettas and parades.

An excellent level of instrumental playing is the Novelty Orchestra which plays for school dances and special parties. The Novelty Orchestra is for rehearsal and playing purposes only. No membership in this organization is on a competitive basis.

It has been said "I would say we think that it is better for a father to take his son fishing than to have to go looking for him." With this in mind, we have organized a fishing club which would be both beneficial and interesting to the students of Cleveland High School. We believe we have accomplished this in the Cleveland Angling and Casting Club. Angling is a sport of sports. No other sport brings one so close to nature, affords an opportunity to promote better sportsmanship.

To these students offer the greatest joys when nature remains untroubled by man, where the seasons most beautiful landscapes may be viewed; the greatest joys which bring God nearer to man and which teaches good fellowship, we offer membership in our club.

Our members participate in various activities such as fly tying, lure making. We have many interesting programs which consist of talks given by prominent anglers and excursions to many picturesque spots.

We invite new members to visit us to meet. Remember, any Friday at 5:00 P.M., join our meeting and share our view about the big outdoors. Get away from the city and get in touch with nature. But remember "You don't have to take part in a sport to be a good one."

Our club, Anna Howard Shaw, was named after a great speaker and noted performer. It was originally organized as girls' debating society, but through the years it has become more a dramatic and social club. Our meetings are in common with the Webster Hayne Club, however, keep up the tradition of the debating society. Help goes to making up for the Mother Daughter Tea the Webster Hayne party and many other. These events are all planned and carried out by the members. Of course, the success of all our activities depends largely upon our chairman and sponsor, Miss Helmich, working with the officers and other members.

Webster-Hayne, Cleveland's oldest club, is an organization in which boys of all terms learn to improve themselves as public speakers and to enter themselves while doing so. Through prepared and impromptu talks Webster Hayners learn how to influence others, how to make their thinking and their personalities felt to the audience. Comments at the close of each meeting by Mr. H. M. Doxsee, club sponsor, lead to the value of the training in developing public speakers. During the past year excellent joint meetings with Anna Howard Shaw have contributed much to the interest in programs. The joint party for Webster Hayne, Anna Howard Shaw with its speeches, its original skits, its mask and dancing and its refreshments is always looked upon as the highlight of the club's activities.

The Audio Visual Club was organized in January, 1946. Although previous to that time a small group of boys had been active in audio-visual work.

At present thirty boys constitute the membership of the club. The work of operating sound film, slide, and opaque projectors and the radio is the responsibility of the members of this club. In addition, certain members are assigned work with the public address system and spot lights in the auditorium.

As audio-visual work has expanded at Cleveland, the members of the club have shown their willingness and ability to meet the increasing demands for their services in room 113, the auditorium, and other rooms.

Favorable comments on the part of many teachers show that the efficient and courteous service given by the boys is appreciated.

Any boy interested in the club may apply for membership after having received approval from his advisor. After a period of training and after passing a test, he will be admitted to full membership in the organization, presented with the club pin, and assigned duties.

Cle Cuks is one of the oldest clubs in the school, having been formed in 1920. Miss Richeson, the sponsor, tells us that the name Cle cuks was derived from "Cleveland Cooks" by the charter members. The membership is limited to eighteen girls who are in the Fourth Term or above. This limitation was placed on the membership because it is necessary that there should be a large number to serve. A list of eligible girls are nominated and voted on by the members, so as to have a congenial group to work with at all times. It is required that the new members attend their first meeting for their nomination to give some interest in the club. The members hold a sixth assembly after the term is over. After the term has begun Cle Cuks meets every other Thursday in Room 10 at 3:15. During the day the girls who are hostesses come in Room 10 during their study period to prepare the food so it will be ready to serve at 3:15.

This term some of the appetizing dishes prepared were: Pigs in the blankets, jello salad, and for Halloween toasted cheese sandwiches that resembled Jack O' Lantern faces. Hot cocoa and tea are popular beverages.

The girls have a very good time when they are working together. In doing this they prepare themselves a future for making a good living for themselves. After all, the way to a man's heart is through his stomach.

For those who are interested in going to college, the College Club is a wonderful opportunity to get information about the different schools.

During our regular meetings, our research committee gives reports on the requirements, tuition, and the like, of the various colleges the members are interested in. Sometimes we have guest-speakers, who give their point of view on "My Choice of a College," or "What College Did for Me," or other subjects along this line. We try to have speakers from every department. People in business or social work speak to us, also.

Scholarships and scholarship exams are reviewed at our meetings. Many unusual things come up. For instance, did you know that if you have an ancestor who fought in the Civil War (on the North's side) and was honorably discharged, you are eligible to try for a scholarship from Washington University? This is but a sample of the useful information acquired in the College Club.

We all enjoy the meetings immensely. Once every semester we visit a neighboring college which is always a longed-for event. Not only the club members, but all Cleveland students who are college minded, are invited to take this tour.

All those who intend to further their education by going to college are cordially invited to attend our meetings under the sponsorship of Miss Foss.

German Club

Row 2: Jack McEgert, Glenn Baker, Charles Stoy, Mrs. Westphalinger, Frank Buerke, S. J. Jett, Ed Rosenhauer

The purpose of the German Club is to further the interest in the study of the German language.

The members of the club enjoy many different kinds of entertainment. They sing songs, read stories, poems and present plays. Usually the climax of the club's programs during the year is a songfest during the Yuletide season.

Sometimes they review their German lessons or hear the club adviser, Mrs. Westphalinger, to help them master the more complicated grammatical structures. Frequently the members of the club perform on their musical instruments. They often translate some of the interesting Deutsche Briefe which some of the students received from relatives in Germany. Most of these express appreciation for food, clothing and supplies, sent to them by friends.

All boys and girls who are taking or have taken German are invited to attend the meetings which are held on the even Thursdays in Room 115. Come and enjoy yourself. We are looking forward to your attendance next term.

If you have any desire to become a teacher, why not teach a language, as language teachers are in great demand at present. In most any field of activity a person who can speak a foreign language fluently has a better opportunity for a successful future and for world service in his efforts to help to establish world peace.

Los Pan Americanos

Row 1: Carla Sadlo, Pat Dickerhoff, Janie Barnett, Carol Aitken, Dolores Hegger, Catherine Martin, Audrey Mayer
Row 2: Richard Lloyd, John Hogue, Charles Frye, Eugene Taul, Paul Foraker, Miss Jansson

Los Pan Americanos, better known as The Spanish Club, meets every Tuesday morning in Room 2, under the direction of Miss Jansson. "Los Pan Americanos" is a most interesting and helpful club, where the Spanish students of Cleveland High get together to have fun and to learn more about the Spanish language and the people who speak this language.

The correct translation of "Los Pan Americanos" is "The Pan Americans," therefore the main interest of The Spanish Club is to learn about our Latin American neighbors. We want to learn more about these people south of the border, as well as to establish ties of utmost importance in making this part of the world powerful. In the Spanish Club we are trying to learn as much as possible about these people, their everyday lives, customs, clothes, and of course their language.

One way we have of learning their customs is celebrating their holidays with as many of their festivities as possible. Their Christmas starts on December 24 and lasts until the 6th of January. On the latter date the "Spanish Club" gives their interpretation of a Christmas Party in any Pan American country.

In the club meeting we play games and sing songs. Some of these songs and games are the same as we have in English. We play games such as ghost hangingman, one buzz, and sing some of the familiar tunes of songs such as "Are You Sleeping?" and "Oh Where Oh Where Has My Little Dog Gone?" At Christmas we learn our old English Carols in Spanish. We sometimes listen to Spanish records to help us with our vocabulary and diction.

Goodfellowship

 Row 3: Miss Mann, Audrey Sparlin, Delores Pieper, Marlene Moss, Shirley Weisel, Marlene Wiesner

The name of Goodfellowship explains the purpose of this club. All girls belonging try to be "Goodfellow" and to help their fellow man.

Every Halloween, Christmas and Easter parties are given for children in day nurseries and in orphan homes. At these parties the children are given refreshments and a small gift.

In the spring, the girls give money to the poor for Mother's Day. To tell their mothers.

At the last Christmas party every child received a small gift that the girls made and a stocking filled with candy, an orange, and cookies.

The secret of happiness is not in the faces of the children seen high of reward for the girls. They find that the old saying, "It is more pleasant to give than to receive," is really true.

After a very successful season last year in which the team finished in second place in the Greater St. Louis Junior Rifle League, in second place in William R. Hearst Trophy Match, Fifth Army Area, in tenth place in nation, in first place in N. R. A. Sectional Meet, in ninth place nationally, in first place at Quincy (Illinois) Invitational Meet, and in second place in Washington University Invitational Team Event, the rifle team finds itself in the unenviable position this year of having an ambitious schedule and only one returning veteran. Tryouts are being held weekly to supplement the team. A new postal N. R. A. contest was entered, and our hopes are high.

Of the six members of last year's team, three are now in school and three are in college. Reynolds Knorr had a high average in league competition and winner of the gold medal at Quincy (Illinois) Invitational Meet, with 189 out of a possible 200. He is now attending Washington University. Louis Bosso became a Distinguished Rifleman, and had a high league average. He is now attending Rolla School of Mines. Dan Goetz also became a Distinguished Rifleman. He is attending Missouri University. Jack Stokely and Charles Krieger are now Seniors and will not be able to compete in league competition this year as the Junior Rifle League will not start until February. Leroy Atchison, Term Seven, is a Distinguished Rifleman and has a high league average.

It can happen to be walking through the back hall near Room 33 on Thursday you may hear the sound of shots coming from that way. Don't duck or run, just drop, and see some of the girls who are shooting. Some of them have been with the Sharpshooters for a long time. Others are new members or "Nu-gang" as we call them, during the preliminary training period of their first semester.

These girls know that target shooting is a great sport, and that some form of it is among the oldest past-time recreations in existence. Shooting and knowing how to handle a gun safely is useful knowledge which everybody would do well to acquire.

Most of the girls agree with this. They train hard and stay with it so they can take part in the National Rifle Association matches which are held every year at Washington University. Last spring, the Sharpshooters took part in a match against the Quincy Illinois girls at Quincy, and in a return match at the C. B. C. Rifle Range. These were the matches to remember. The Quincy girls have challenged us again, and we are anxious for the competition.

The Sharpshooters have gone to Kemper Military Academy at Booneville, Missouri, for an annual match for some twelve years until they were needed for the duration of the war. We have been notified that the Kemper match will be held this spring. The girls of the Club are very eager to develop a good team, so we can be represented again.

Opportunities for travel, a chance to meet girls interested in the same sport, and the medals that may be earned offer incentives for hard work. So if you would like to join us, come to Room 33 some Thursday, brace yourself for the noise, and watch for the fine scores.

Saluete! That is the way Latin students greet one another every Thursday morning at 8:15 in room 223 provided, of course, they are wide enough awake at that early hour to remember this Latin word, which means "good morning". This group is known as the Salutatio Club. At its meetings phrases of Roman life which have not related in textbooks are discussed. The Latin students find it very interesting to compare the lives of the Roman people with that of ours to learn how they dressed and to learn about their customs and something of their social and political life. Other topics which are studied in the club relate to Roman wars going with some of the great personages of the time men like Caesar, Cicero and Virgil. But Salutatio is not all work serious parties a year are planned. One of the things which all older students enjoy is the initiation speech which each new member must make in Latin. As in their foreign language clubs the titles of the various officers of Salutatio are in Latin. The duty of each officer is suggested by the meaning of the Latin title. First is the Aedile of Ancient Rome planned all the expensive public games and spectacles for our people plus all of our programs and parties and like the scriba who in ancient Rome was a public writer the scriba in Salutatio keeps the minutes each meeting. With this valuable Roman background which we acquire through Salutatio our daily study of the Latin language is made much more interesting and enjoyable and we invite any Latin student who desires this extra learning to come and be a part of our Club.

"Look out! Don't walk in the direction of that target"

"Why?"

"The girls of Toxopholite are TRYING to hit the target"

"But we're a block away. They can't hit us"

"That's what you think"

You are now probably convinced that your life is in jeopardy if you walk anywhere near the huge target that stands at the head of the line on Osborn Avenue on Wednesday nights at 7:30. Don't be alarmed! Most of the members of Toxopholite are very expert archers. Mary Ann Kaufmann is the best of them, an expert archer. She has attained those stars which automatically remove her from the status of an amateur. As yet none of the other members have achieved this goal.

When weather does not permit shooting you will find "Tox" inside, busy repairing bows and arrows or practicing in Room 114.

The sponsor, a new teacher at Cleveland, is Miss Hoffman.

The plan is open to membership to any girl in Terms One through Six. The purpose of the club is to encourage good sportsmanship, to develop skill, and to have a good time. Scores are kept and posted on the bulletin board.

CLEVELAND - McBRIDE

Saturday, September 13, 1947, Cleveland High School opened its 1947 football season successfully by defeating the McBride Colonizers 27-7. Richard Ortmann, Cleveland's quarterback, was instrumental in setting up all three touchdowns for Cleveland. Ortmann scoring one, and Bill Cornelli and Joe Haerchen the others.

CLEVELAND - BELLEVILLE

In the second game of the season, Cleveland was trailing 6-0 at the end of the half, but the Dutchmen came through with three touchdowns to win the game. Bill Cornelli, Cleveland's star half back, with fine blocking, ran for two touchdowns. Joe Haerchen scored the other touchdown. Cornelli's touchdowns were both on long runs of 40 yards or more.

CLEVELAND - McKINLEY

The Cleveland football team opened up the 1947 Public League schedule by defeating the defending district champion, McKinley High, 20-12. The game was very close and Cleveland played the underdog until the final minutes. Ortmann intercepting a pass for a touchdown, sewing up the game for Cleveland. Howard Lincks converted the extra points.

CLEVELAND - KENTUCKY

Cleveland hit the road for this game, traveling by bus to Kentucky, to play Manual Du Pont High School of Louisville. It was a very fine trip for the team, especially because the Dutchmen defeated Du Pont 34-14. Cornelli again starred for Cleveland by scoring three touchdowns. Augie Kilar and Rich Ortmann scored the other touchdowns, with Lincks converting.

CLEVELAND - ROOSEVELT

Cleveland, now a high team, met and defeated the Roosevelt Rough Riders, Cleveland's traditional rival. Both Cornelli and Ortmann again led Cleveland to victory.

CLEVELAND - SOLDAN

The Cleveland eleven, playing on a very muddy field, was held scoreless for three quarters by a stubborn Soldan team. With the game in a scoreless tie, and a few minutes left to play, Don LaPlante caught a Cleveland pass in the end zone for the only score of the game: Cleveland 6, Soldan 0.

Football

CLEVELAND - CENTRAL

Today, the first string got a rest, playing but two full quarters. After running up the score in the first half, the regulars, playing one of their better games, were relieved by the subs, who also did a fine job. Cleveland 39, Central 0

CLEVELAND - SOUTHWEST

Cleveland trounced a fighting Southwest team on a muddy field 27-0. By beating Southwest Cleveland ran its string of victories to eight victories without a defeat. Bill Barbarest and Bud Corneli played a fine game, as did the whole team.

CLEVELAND - BEAUMONT

The game of the season as far as Cleveland was concerned, was the Beaumont game for it decided the Public High Championship. Playing before a large crowd Cleveland trailed 13-0 for three quarters. Then, late in the fourth quarter, behind good blocking Corneli ran over one tackle and then caught Ortman's pass for another touchdown. Howard Lincks converted one extra point, but the winning point was blocked. So Cleveland will satishfy for the Championship from Beaumont with a 13-13 tie.

CLEVELAND - ST. LOUIS UNIVERSITY HIGH

Cleveland, playing in the annual Accident Benefit game at the Public Schools Stadium, chose the Junior Billkies as their opponents. Both teams had fine records Cleveland with eight wins and one tie. St. Louis with eight wins and one defeat. St. Louis, playing one of its better games, defeated the hard fighting Cleveland team 19-7, for Cleveland's first and only defeat of the season.

As you probably know, Cleveland had a champion Varsity Football Team. Did you know that Cleveland also had a champion B Team? ... In the first game the Dutchmen defeated McKinley 4-0. They next took the Rossvelt Rough Riders to a 6-0 victory. On November 6, Saturday, Cleveland went to play at the P. H. ... Stadium at 3:00. The boys had been working over Sunday 3:00. The next team was the Central Red Wings. The Dutchmen clipped their wings with a 21-0 victory. The following week they were defeated in the Southwest game when a pass got by them for a touchdown. But the Cleveland squad made up for that and three more for a 25-6 decision over the Longhorns. Next was the big game, the game we had waited for with Berea. We played at Berea at 4:00. The Dutchmen were a little worried, but not for long as three touchdowns and a kick won for us 19 points to their none. In the locker room that evening were thirty handsome faces. Although we didn't win a cup, a job well done is reward enough.

The first string line was composed of Gerald ... Carville, Weber, Ling, Lindquist, Granda and Jacobs. In the backfield were Krispin, Craig, Hess and Allen. Chief Substitutes were M. Mullin and B. Brown. The kicks were made by Don Wuest. The kick offs were Weber's job. The team averaged 2-2-3 points per game. Coach Brand did a great job of coaching to bring us a champion B Team. He often said, "the fellows had the habit of winning." Let's hope it goes with them up thru varsity.

The players on the B team start the school term as varsity players on the school. They have to earn the varsity position through a point system. Most of the students start in these boys' swimming teams, know what they are doing. After a few weeks, if they are good, they are moved to the varsity. If they are not good enough, they may then earn themselves a position on the varsity squad.

The Cleveland Cavaliers led by returned letterman Lefty and Rich English, Bill Miller, Ed McDonnell and Rich Ortmann started off the 1947 season with their traditional opener Hancock. Starting their scoring early they completely outplayed the highly favored county team. Rich English and Bill Miller led Cleveland to a 50-35 victory.

Taken to the streets of the city saw the Dutchmen outscored and defeated the highly spirited St. Peters squad 38-34. Rich English was high scorer.

Blackett was the first opponent of the Orange and Blue in their fight for the Public High Crown. Hitting a high point total of 71 points the Dutchmen easily defeated the sharp shooting Blawett squad 71-52. The Jansenn men were headed by Bill Miller and Rich English with 25 and 20 points respectively.

Brentwood came next and found out the Cleveland floor 52-36. As the fans would say just another game. Scoring was led by Rich English with 19 points.

In the second Public High League victory over St. Louis which happened early in the first quarter. The defense of the Cleveland Cavaliers overpowered the Tigers with but 16 points. The English men led the scoring with 20 points after Rich English 18 points for Bob.

During the past six years since Coach Jansen has coached at Cleveland he entered five teams in the Normandy Christmas Tournament. Five times the teams have reached the finals being beaten twice on New Year's Eve which later was the winner of the State Championship and then last year by Roosevelt 42-34. It is a record that every fan is still talking about. Winning this year was a big step toward State honors. The Dutchmen in winning the Green division defeated either 43-25, McBride 45-32, Normandy 51-29 and Maplewood 45-32. Bob English led the Orange and Blue with 21 points followed by his brother Rich English 22, Bill Miller 22, Eddie McDonnell 21 and Rich Ortmann 21.

Basketball

Returning to school after a successful Christmas Tournament, the Dutchmen vanquished Wells ton 55-21. Scoring honors were divided between the English twins with 14

McKadey was third in the Dutchmen at 11 points. His victims in basketball the Go Jags, 61-28, Bill Miller scored 19 points followed by Rich English with 17

Then returning to North as the Dutchmen from last year the Vikings 30-11 the second Dutchman's visit to Bill Miller and Rich English gave them 5 and 15 points respectively

On the home front at Cleveland was victorious over Southwest by 17 points 63-46 Rich and Bob English getting 20 points each

Traveling to Miquon and the Cavaliers defeated the Jets 42-27 in their first game

Hadley, a new member of the Dutchmen, scored 14 points in the first game. Cleveland's highest score of the season

Roscoe was a great team effort the Dutch 52-35 in a game which was controlled by its race horse style of play.

The fighting Dutchmen have a job to do when it comes to basketball games when they suffered their first setback at the hands of the Beaumont Bulldogs by the score of 51-40 Cleveland's play was sparked by Ed McDonnell, sophomore center, who played a fine game. The Dutchmen gave Beaumont their toughest battle yet in the first quarter

After a three game slump the Dutchmen got back to their old style, by defeating Centre High School 77-32. Rich English made 22 points to take scoring honors for the game

Cleveland then entered into the State-School Round and were picked to take on Martin Webster Groves High School. When our book went to press Cleveland won the Subregional and Regional Tournaments. The final game with Beaumont gave us a victory with the score 40-39

With only one former letterman returning from last year, the outlook for the CHS tennis team wasn't too good, but the team turned in a good account of itself. When the call was issued by Coach Schreiner, the boys who had taken the prospective players that year about. The boys worked on the clay for several weeks before the Coach chose the ones that would represent Cleveland in the tournament. The team with its first match in the following and its first second and third string singles were Jack B. Jones, Homer Richter, and Bill Stromberg, while Bill Ebert, Jack B. Jones, and Bill Stuckenberg teamed up together for first doubles, and Bill Ebert and Dan Sawers second doubles. During the tournament various changes in the squad brought Myron Grills, Gordon Van Dorn, and Richard Schmidt into play.

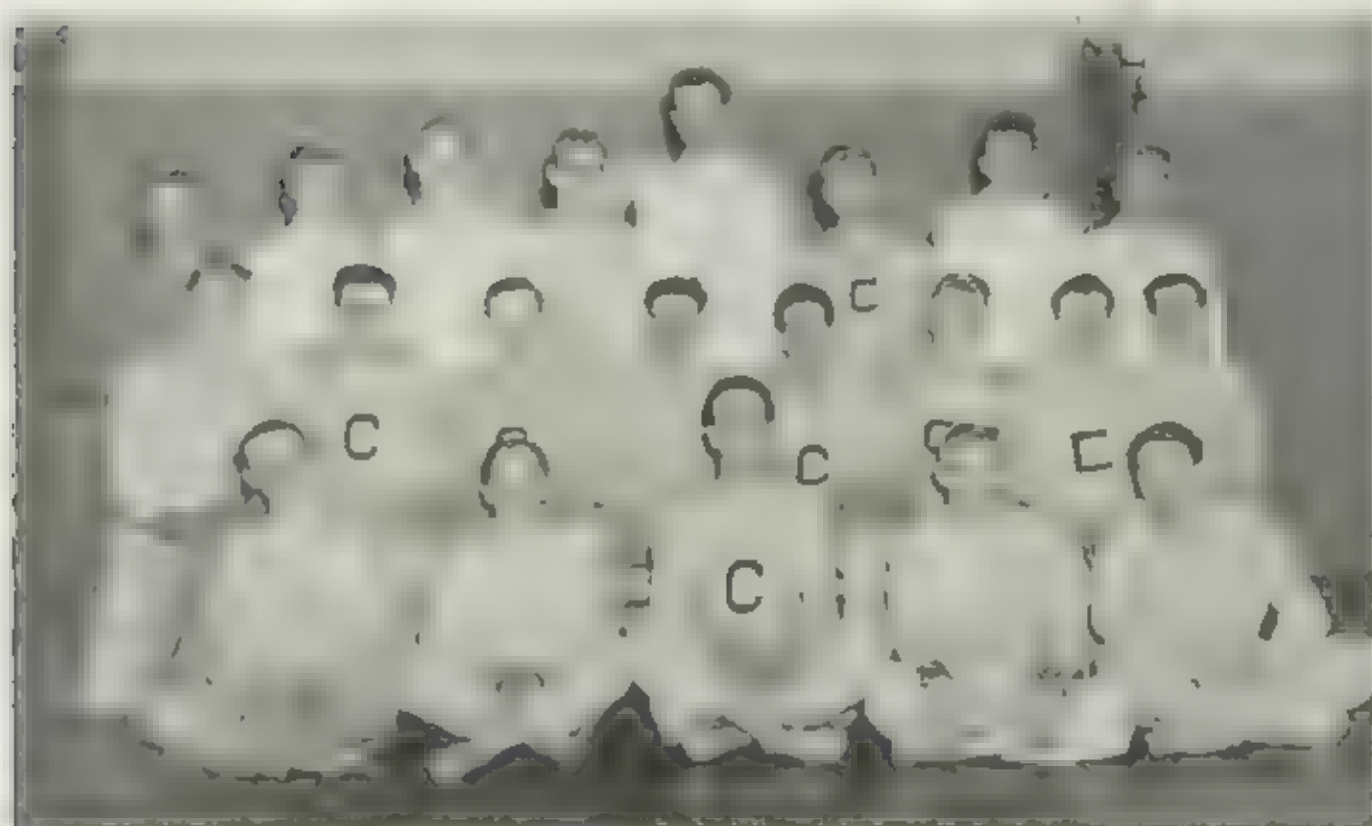

The team of 1947 had a record of eight wins and twenty six defeats for the season. There will be a number of the boys back for the next season and we are expecting a fine team for the 1948 tournament.

Letters were awarded to the following boys: Bill Ebert, Dan Sawers, Bill Ebert, Jack B. Jones, Homer Richter, Bill Stromberg, and Bill Stuckenberg.

Cleveland brought home the Public High School Swimming meets on Friday, February 3. The Cleveland team defeated the McKinley High School swimmers in a rather easy swim meet by the score of 45-1. By virtue of this win Cleveland finished the season started with Belmont and Roosevelt High Schools in the Public High School Championship. On March 5 Cleveland won the play-off and the City League Championship.

The Cleveland Indians won perhaps their most important swim meet, the District Invitational Regatta. The meet was held at Wilson Pool on Saturday, February 21. Cleveland District swimmers won easily with a score of 62 points. Their nearest rival, Beaumont, had only 34 points.

On February 28, Cleveland tankmen won the State Championship.

Coach Jansen's baseball nine fell below their usual high standard last season. The team won but five out of fourteen league games, and ended up tied for last place. The team was composed of veterans, and was expected to make a much better showing.

The team batting average was .259, which was about fourth highest in the league, but the team holding average was far below that. Bob English was the best hitter of the team, having a .414 average, which was about seventh highest in the league. Rich Franke was second highest in the team's swing parade with a lusty .354 average. Bob English also lead the pitchers with a 3-3 .500 average.

The infield of the team was composed of Rich Franke, first base, Al Rabin, second base, Lee Guttar, short stop, and Tony Ames, third base. All inners were on the team. Clarence Bauer, the Norm Faveere. The outfield was patrolled by Bill Miller, center field, Brady Nizer, left field, and Bob English and Bill Franz, right field. The catching was ably taken care of by Al Rapp and Rich English. The pitching, which was the most disappointing performance of the team, was taken care of by Bob English, Rich Ortmann, and Bill Franz.

Next year these men are trying to get all the players to the Clevelanders and Richard Bob English, Lee Guttar, Bill Miller, Rich Ortmann, and Bill Franz.

The students and the powers thank Coach Jansen for the time and training of the team. We hope we'll bring a winner next year.

On Sept. 15, 1947, twelve ambitious Cleveland boys were to be seen running two long miles around the Cleveland track. As the time for the State Long Distance Track meet approached, the number of the boys on the Cross Country team diminished to nine.

On Nov. 4, 1947, the team met at Washington University where the mile was to be run. Approximately seventy-seven boys of the many State High Schools participated.

The boys on the Cross Country team were: Carl Yeckel, Bob Lindquist, Otto Hagemann, Jr., Jack Lee, George Miller, Otto Hagemann, Jr., and Ralph Suess. Due to the sudden rain from Richard Getz and Ken Mock were not able to run. There was no rain at the time of the mile and in some of the other events. This was the first time in running at the State Cross Country Track meet. Due to the additional length of the course, many of the seventy-seven boys could not keep the pace and therefore had to drop out.

Any boy who placed first in the first mile at the Cleveland track was a winner. Two of the boys who placed first in the mile were: Bob Lindquist who placed seventh and Carl Yeckel who placed twelfth.

Cleveland placed sixth out of the eleven schools which participated.

Mr. Ballin is the coach of Cross Country.

If you would like to learn more about the Gym Team, you will find that the Gym Team is an organization of long standing at Cleveland. It was formerly called the Gym Club.

In the fall of 1946, the school went before the Board of Education and asked that gymnastics be recognized as a co-curricular activity. Cleveland was entered in the league meet in March of 1947 and placed fifth out of eight schools participating. Four boys were awarded letters on this team, were William Humpal, Captain, Jack Stokely, Frank Engel and Robert Bishop. Bob was a Senior tumbling champion for the year.

The captain of this year's team was Frank Engel who will be our only letterman next year to compete this year. Jack Stokely, our Captain of last year graduated in June and will therefore not be able to complete. His help and leadership will be a great loss.

The Gym Team offers an opportunity for every student at Cleveland High School to earn an Athletic "C," and at the same time develop himself physically, "Mens Sana En Corpore Sano."

G. A. A. Activities

Every afternoon after school, hundreds of enthusiastic, fun-loving, sports-minded girls participate in after-school sports. They are keeping in good physical health, and also are working toward the three awards which are given by the Girls Athletic Association: the small "C" pin; the orange and blue felt letter; and the highest award, the statuette. These awards are obtained through a point system, with five points being given for each attendance at a sport. Seven hundred and fifty points are needed to get a pin; twelve hundred points to get a letter; and eighteen hundred points to get the statuette.

The Girls' Athletic Association was organized by Miss Gunther and Miss Harrison in 1927. It was organized to interest girls in athletics. The G. A. A. Council planning committee is made up of a representative from each Physical Education class, and each sport, and it meets about three times a term. These representatives meet, elect their officers, and organize the after-school sports for the season.

The activities of the G. A. A. are divided into three seasons: Fall, Winter, and Spring sports. Fall sports include volleyball, soccer, basketball, and boxing. In the Winter sports, beginning and advanced basketball, bowling, and roller skating are offered. Spring sports include tennis, advanced tennis, softball, horseshoes, and volleyball. Swimming is offered the year round and may also be taken during the school day or during a study period.

A day much awaited for, which comes in late Spring, is Play Day. This is the day all the girls in Cleveland High School show their talents and skills, competing in cross-country, other term events in track and field events, volleyball, and softball. Relay races between the different terms furnish an exciting ending to the day.

A new Winter sport, having its first trial at Cleveland, is League Bowling. This League bowls three games a week, and meets twenty weeks. The girls work as teams of five and compete against each other for high score.

All these after-school activities would not be possible, if it were not for our three wonderful sponsors, Miss Gunther, Miss Harrison, and Miss Ulbricht. These Physical Education teachers give their time and effort to guide us in our sports.
